ce, with compulsory arbi-
n, is not millennial, does
long to the dim future; it

is utterly present, timely, prac-
tical, right now.

It is war that is the anachron-
ism. It belongs to the Tenth
Century. Arbitration belongs
to this present time.

It takes so little to make peo-
ple happy. Just a touch, if we
know how to give; just a word
fitly spoken; just a trick, a
knack, a slight readjustment of
some bolt or pin or bearing in
the delicate machinery of the
soul.

There is no one gift I covet
more than this skill to reset
creaking souls. One little drop
of oil will silence the screeching
hinge.

We all mean well enough,
most of the time. The difficulty
is that we are inept. We are
butter fingered. We are all
thumbs. Most of the rubs and
clashes of life might be avoided
with little shrewdness. But we
are so monstrously unskilled in
love. What a joy it would be to
be an artist, a virtuoso in the
game of human hearts!

Let us study, and practice
this matter until we shall learn
love's preventive moves. For it
takes so little to make a woman
happy. Writes Stopford Brooke:
A little sun, a little rain,

A soft wind blowing from the
West,
And woods and fields are sweet
again

And warmth within the moun-
tain's breast.

A little love, a little trust,

A soft impulse, a sudden
dream.

And life as dry as desert dust
Is fresher than a mountain
stream.

ORDER OF PUBLICATION

In the Circuit Court of Chariton
County, Missouri, in vacation,
to February 1912 Term, at
Salisbury.

M. O. Williamson - Plaintiff,
vs.

All unknown persons who may
have or claim an interest in the
land hereinafter described as
the heirs, devisees, donees, ali-
enees, or immediate, mesne
or remote, voluntary or involun-
tary grantees of James Hery-
ford, deceased - Defendants.

The State of Missouri, to all of
the above interested persons,
Greeting:

You are hereby notified that
on this 29th day of November,
1911, the above plaintiff filed
with the undersigned Clerk of
the Circuit Court of Chariton
County, Missouri, in vacation,
his petition, verified by the af-
davit of O. P. Ray, his attorney,
wherein he alleges that he is
the owner and holds the legal
title to the following described
real estate, to-wit:

The northwest fractional quar-
ter of Section seven (7), in
Township fifty-three (53), Range
seventeen (17); and the east
half of the northeast quarter,
and the east half of the south-
east quarter of Section twelve,
(12), in Township fifty-three
(53), Range eighteen (18), in
Chariton county, Missouri; and
further alleges therein that he
verily believes that there are
persons interested in, or who
claim to be interested in, said
above described real estate,
whose names he cannot insert in
the petition, because they are
unknown to him; and in which
petition plaintiff alleges that the
claims, titles or interests of such
unknown persons, and how de-
rived, so far as known to plain-
tiff, are such claim, title or in-
terest in and to said lands, as
may have been derived as the
heirs, devisees, donees, ali-
enees, or immediate, mesne or re-
mote, voluntary or involuntary
grantees of James Heryford, de-
ceased, who formerly owned
said lands, and the records do
not show that he ever conveyed
the fee title to the same, and
now long since dead.

Wherefore, it is ordered by
the undersigned Clerk, in vaca-
tion, that said unknown defen-
dants be notified, by publication,
that plaintiff has commenced a
suit against them in this court,
the object and general nature of
which is to have the court ascer-
tain and determine the title, in-
terest and estate of the parties
hereto, in the above described
lands; and that the court define
by its decree, and adjudge, the
title, estate and interest of the
parties hereto in and to said
lands; and that such judgment
may divest any and all of the
defendants of any claim, title or
interest in said lands; that
plaintiff's title thereto be per-
fected by limitation, and the en-
tire title to said lands be vested
in plaintiff; and for such other
and further orders, in the prem-
ises, to which plaintiff may be
entitled. And unless you, de-
fendants, appear at this court,
to be begun and held at the City
of Salisbury, Missouri, on the
5th day of February, 1912, and
on the first day thereof, answer
or plead to the petition in this
cause, the same will be taken as
confessed, and judgment ren-
dered accordingly.

It is further ordered that a
copy hereof be printed and pub-
lished in the Chariton Courier,
for four weeks successively, and
published at least once a week,
the last insertion to be at least
30 days before the first day of
said term of court.

A true copy of the record.

W. L. WENNER,

Witness my hand and the seal
of said Circuit Court, this 29th
day of November, 1911.

44-47 Clerk of the Circuit Court

It Never Flickers

The long winter even-
ings give a woman a splen-
did chance for sewing or
embroidery; but her eyes
suffer from the strain unless
she has a good light.

The Rayo is the best
lamp made.

It gives a strong, diffused light that is remarkably easy on the eyes.
There is no glare to it; no flicker. It lights up a whole room.

The Rayo is an economical lamp, too.

You get the most possible light when for the oil burned; and the Rayo itself is a
beautiful lamp. Yet it is a handsome lamp—most convenient to use and in the home.

The Rayo Lamp is easily adjusted without touching the oil or chimney; easy to
clean and polish. Made of solid brass, guaranteed; also in handsome silver styles
and finishes.

Ask your dealer to show you the Rayo or write for descriptive circular
to Rayo Lamp Co.
